

Cash in on affordable advertising to highly targeted local markets with ValueNow's

Virtual Concierge

Using traditional media to target specific audiences has always been expensive. This is particularly true for businesses seeking to maximize their returns in a local market. The Value Now Virtual Concierge changes all that - delivering digital, near real time promotion on a 24/7 basis. As easy to use for hotel visitors as it is for the concierge staff, Virtual Concierge is local advertising at its smartest.
